The company is targeting 3,000 employees in the next 3 years in Gujarat

April 18th, Ahmedabad: UK based multinational accounting services, **QX Global Services**, has achieved a landmark of 1000 employee in Gujarat, which has resulted in conferring of **Certificate of Excellence** award from the British High Commission. **The achievement of hiring the 1000th employee was attained in March 2018.** Mr. Geoff Wain, British Deputy High Commissioner was present on the occasion to present the award and applaud the success of the company.

Addressing the media, **Mr. Wain**, said "It's really commendable to achieve tremendous growth in just a short span of time. Not only is the company achieving new heights but they are also providing skilled employment opportunities to the people in Gujarat".

QX is the biggest Accounting & Recruitment KPO company in Gujarat and has a presence in **US** and the **UK**, providing services to both private and public-sector companies.

QX focuses on providing high quality knowledge-based services and is recognised as '**Best KPO company in Gujarat!**' On receiving the award QX Chairman Chris Robinson said '15 years ago, QX was The First British KPO in Gujarat with 5 employees and today we are The FIRST to attain 1000+ employees. We wish to thank the British High commission for their constant support and guidance, throughout this journey'.

Sharing more on the QX future expansion plans, **Mr. Robinson** said "To attain our goal of QX 3.0 or 3,000 employees in next three years, the company has set out a plan to expand its geographical foot prints and open delivery centers in other parts of Gujarat such as Surat and Rajkot; along with increase in its current operations at Vadodara".

In the last year QX has significantly increased its management team including the addition of **Mr. Sumit Goswami**, the Group CEO and **Mr. Percy Postwalla**, the Group COO.

Addressing the media, **Mr. Sumit Goswami, Group CEO**, QX Global Services said "The next phase of the growth will be technology driven both within the organisation and as a service to our clients which means digitization of manual processes, automation and standardisation of processes, application of Robotic Process Automation (RPA) and Artificial intelligence (AI) to processes".

Mr. Percy Postwalla added "QX is committed to skill development. To this end, **QX Academy** is our latest initiative aimed at providing specialised and enhanced training in UK, US Accounting. All successful candidates are guaranteed a job at QX. Thus, we wish our growth is aligned and contributes to growth of Gujarat and India."

Enabling Transformation

Chris Robinson
Executive Chairman

Chris Robinson, Executive Chairman of QX Global Services, founded the company in 2003 in Skipton, North Yorkshire to provide cost-effective outsourced accounting services to Chartered Accountants through its office in Ahmedabad, India. His own personal experience of setting up a company in India means he can bring valuable insight into the steps and processes a business needs to take to establish themselves there.

An ICAEW-qualified Chartered Accountant by profession, Chris qualified with KPMG and was in practice for over 20 years. He ran Business Solutions (Northern) Limited, providing accounting and part time FD services to owner-managed businesses in the Yorkshire area. From there he joined the dot com boom and spent three years as a Finance Director of an AIMlisted ISP.

In 2002, he was a founding member of the team to take over JCJ (now HCL Doctors), a specialist locum recruitment agency, which he grew from a turnover of £1 million to £30 million within 3 years.
